

Intero-Line

Configurable wall luminaire "Up & Down Interio-Line 230V 1200mm 36,0W black

Description:

Up and down spotlights, lamps and wall lights perfectly set the scene in interiors by turning walls, work lines and other areas into real eye-catchers. Diffuse ambient light upwards, focussed downwards for optimum task lighting. The light sources of our up and down wall lights are concealed behind an anodised aluminium cover. The designs are available in black or stainless steel look. They are also CE-compliant, fulfil protection class IP20 and offer efficient energy consumption. Whether in the kitchen, hallway, living room, bedroom or home office. The wall light is suitable for use throughout the home.

Connection: 220 - 240V / 50 - 60Hz
