

Run-Tape

run tape with adjustable colour appearance Run-Tape Dynamic 5m 2x600 LED 50WW

Description:

The LED running light offers versatile lighting with adjustable light appearance from 2700K (warm white) to 5000K (cool white). It creates moving light effects and is easy to install thanks to double-sided adhesive tape. The strips can be shortened every 50 mm, allowing flexible customisation. Light colour and brightness are dimmable and the running speed can be adjusted. Ideal for flexible and atmospheric lighting. The corresponding Run-Controller Dynamic BLE control unit is required as an accessory.

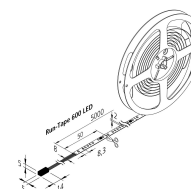

Connection: LED-Trafo DC 24V
Life: L70/B10 >= 50.000h
Light colour: 2700 - 5000K (Dynamic) adjustable
Beam angle: 120°
