

SlimLite® CS LED HO+ dimmbar

Particularly bright rotating LED linear luminaire for 230V SlimLite CS LED HO+ 595mm 13,8W ww dimmable (1-10V)

Description:

LED-Linear luminaire dimmable (1-10 V) for 230 V, rotatable by 180°, Rigid connector for minimum spacing between luminaires, the vertical connector system allows a luminaire to be removed from the line of light at a later time, robust aluminium housing, easy installation using the included clip mounting, extensive accessories such as horizontal or vertical connection and interconnection cables, distributors and recessed sockets with the very small Tyco AMP high-voltage connector system (D = 7.5 mm), 45° corner mounting clips or 90° angle mounting clips, light colour warm white approx. 3000 K.

Connection: 220 - 240V / 50 - 60Hz

Light colour: 3000K Warm white

Energy efficiency: LED: 120 lm/W; Leuchte: 1670 lm/m (100 lm/W)

Symbols: IP20, SK II

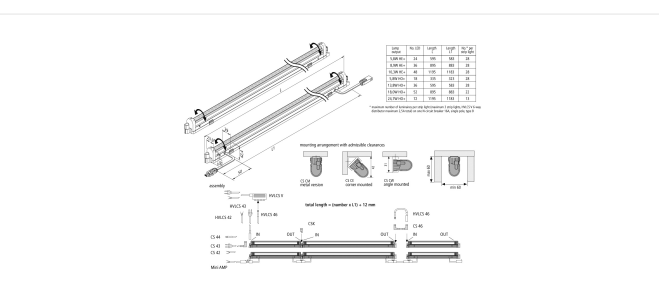

Weight: 0,4 kg

Special features:

- LEDs rotatable by 180°
- Rigid connector for minimum spacing between luminaires
- The vertical connector system allows a luminaire to be removed from the line of light at a later time
- Extensive Accessories
- Light colour: 3000 K warm white
- Housing material: Aluminium
- Dimming range 10-100% / -Strom < 1,5 mA
- Dimmer s. below
- Incl. Mounting clip CS CM
- Mains connection cables Page [197463]
- 1-10 V Steuerleitungen s. below
- Design: Linear-Light
- 220-240 V / 50-60 Hz
- Connector system: HVLCS
- Protection rating: IP20
- Dimmable with compatible control
- Adjustable version
