

Run-Tape

LED run tape with adjustable colour appearance Run-Tape Dynamic 5m 2x600 LED 50W

Description:

The LED running light provides versatile lighting with an adjustable light colour from 2700 K (warm white) to 5000 K (cool white). It creates moving lighting effects and is easy to install using double-sided adhesive tape. The strips can be shortened every 50 mm, allowing flexible adjustment. Light colour and brightness are dimmable, and the running speed is adjustable. Ideal for flexible atmospheric lighting. The corresponding Run-Controller Dynamic BLE control is required as an accessory.

Connection: LED-Trafo DC 24V

Light colour: 2700 - 5000K (Dynamic) adjustable

Beam angle: 120°

Energy efficiency: LED: 120 lm/W; Leuchte: 753 lm/m (75 lm/W)
