

24V Dynamic-Controller - Funk

Dynamic-controller 24 V DC with included 4-channel radio remote control 24V Dynamic-Controller Funk 75W incl. Anbau-wireless remote control stainless-steel look

Description:

Dynamic-Controller 24 V DC with beiliegender Surface mounting-Wireless remote control in Stainless-steel look and Wall bracket, With memory function (the previous state is restored after disconnection from the mains), incl. Battery, Connection cable with two LED 24-Plugs and 12-way distributor for the Lights. This version is designed for a power rating of 75 W.

Connection: LED-Trafo DC 24V

Light colour: N/A

Symbols: IP20, SK III

Weight: 0,11 kg

Special features:

- 24 V DC
- Ready to plug in and optional for jede Neuinstallation or nachträgliche Extension of the bestehenden Systems
- With Memory-Function (after Disconnection from the mains are the previous Light colour and brightness again hergestellt) Wireless remote controls for Dim, Switch and Adjust the Light colour
- Wireless remote controls for Dim, Switch and Adjust the Light colour
- Surface mounting-Wireless remote control with Wall bracket
- With a Remote control or. per Channel can any number of many Wireless controller in parallel controlled are
- All Controller with?Soft Off? and?Multicontrol? (it can Up to 7 various Transmitter on a Controller paired are) DALI Controller
- For connection to complex control systems and bus systems BLE Controller (Bluetooth Low Energy)
- Controllable über any iOS or Android Smartphone or Tablet (with free Meshle-App)
- Range Indoor area Up to 15 m (Mesh-Network)
- Freely programmable scenes
- Extremely easy Installation using Plug & Play Components and Connector systems
- Can be used individually as a stand-alone control
- Up to 30 Controller connect automatically with one another and can via Bluetooth in the App controlled are
- Incl. Timer-Function (individual A- and Switch-off times)
- LED Transformer DC 24 V
- Connector system: Dynamic
- Protection rating: IP20
- As required Zubehör For colour changing, dimming and switching with 12-way distributor additional Dynamic-Controller (u.a. BLE +
