

Sky Window

LED recessed/over cabinet ceiling luminaire with daylight control Control Panel Sky Window

Descripción:

Control Panel Sky Window

Conexión: 220 - 240V / 50 - 60Hz
Vida útil: L70/B10 >= 50.000h
Lichtfarbe: 2500 - 10000K (Dynamic) ajustable
Ausstrahlungswinkel: 20°
Reproducción de colores: Ra/CRI >= 95
Zeichen: CE, MM, IP20, SK I
EAN-Nr.: 4,05E+12
Gewicht: 0,17 kg

N.º de artículo:
20805005021

artículo disponible en stock

Particularidades:

- Daylight has a huge impact on the well-being. Sky Window brings sunshine wherever it is needed.
- Create natural daylight indoor, thanks to full spectrum LEDs (Sunlike-LED) and a smart daylight control.
- The daylight ambience is realized by the simulated and illuminated 3D sky and the connectible solar radiation. Amazing real daylight effects can be achieved.
- Due to the used Sunlike-LED, the colour rendering is Ra > 95, the same applies to the R9 value.
- The colour appearance can be adjusted continuously from 2.500K to 10.000K per app.
- The smart light control enables the 24 hour rhythm and if necessary even analogously to the different time zones worldwide.
- Up to 64 Sky Window luminaires can be controlled and switched in parallel.
- Suitable for screen workstations! (UGR < 19)
